Through Madras.

The President, D.B.d, Bellary.

Sir,

Subsidy-Rural Dispensary.Kudatani payment from the date of opening-Sanction for payment requested.

The Government were pleased to sanction the opening of Rural Dispensary at Kudatani in G.O.No.1644 P.H. dated 5.7.30. Accordingly a Dispensary was opened on 6.9.30 at Kudatani and a Medical Practitioner was appointed. By mistake the matter was not reported to Accountant General and his sanction was not obtained. Subsequently the sanction was applied for and sanctioned. But by the time sanction was accorded the subsidies due to this Taluk Board for quarters ending with 30.9.30, 30.12.30 and 31.3.31 had become time barred and the Treasury Deputy Collector says that the sanction of the Government is necessary for the payment. Hence, I request you to kindly accord sanction the payment of the Subsidies at an early date.

P. Lakshmi Reddy
President.

Payment of arrear Subsidy in respect of the rural dispensary at Kudatani

—

The P. T. B. Bellary requests Sanction of Govt for the payment of the arrear Subsidies in respect of the rural dispensary at kudatani for the quarters ending 30.9.30, 31.12.30 and 31.3.31. The Subsidies for the first two quarters should have been Claimed before 31.3.31 and that for the third quarter before 30.9.31 — Vide para 3 (1) (a) & (c) of G.O No 842 P.H dy 7.4.30

The P.T.B. requests the following reasons for the delay in the

Medical Officer in charge of the dispensary was by mistake not reported to the A.G. in time &c.

(2) That by the time A.G. authorisation was obtained the Claim became time-barred.

these reasons do not seem to be sufficient justification for the delay. In the case of Adoni TT. Bd, Hon'ble ~~has not agreed to a similar excuse put up by that Board. In that case he~~ has observed as follows :-

"The delay was very long, being between three or four months out of time and the excuse (negligence of a clerk) is not one that can be accepted."

In view of the above remarks it is for consideration whether the claim in the present case may be rejected. If so, the draft order below is for approval.

~~appear in regard to the claim for the~~ quarter ending 31-3-31. He applies for sanction only for the quarter ending 30.9.30 & 31/12/30

M1. What is the amount involved? A

I think the number of cases ~~having rejected~~ being rejected under the G.O

~~it~~ are too many. I see no legal or moral justification to reject such claims summarily on the mere ground that the claim is belated. Finance rely on ~~in~~ paragraph of their G.O. for rejecting these claims. I think the G.Os required to be examined and revised suitably to enable Govt to consider cases where the mistake is not of the entries by Officers. This may be taken up separately.

SECRETARY TO GOVT. 23NOV 193 L.S.G. DEPT.

Please see Hon M.'s query at A on p 2 ante. The Pt states that the dispensary was opened on 6.9.30 and assuming that the dispensary worked for the full period from 6.9.30 to 31.3.31, the subsidy payable to the Sub Bd, if an L.M.P. has been appointed in the dispensary will amount to about Rs 285. If however an M.B. has been appointed, the amount involved is Rs 342.

Hon M. has agreed therein to the suggestion contained in para 5 of Hon C4's note re the issue of a final warning to the boards. In view of this it is for orders whether the question of revising the orders in S.O. 842 P.H, 87-4-30 on the lines referred to in Hon M's note on the previous page should be examined.

The final warning may go but as the G.O. mentioned covers a number of the questions it is to revise, it should be examined separately
